WARRANT FOR THE TOWN MEETING

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Boscawen in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Boscawen on Tuesday, the seventh day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town will vote:
 - (a) To raise and appropriate the sum of \$352,000 for the purpose of constructing those certain intercepting sewers and related facilities, including, without limitation, land acquisition, easements and rights of way, required to be constructed by the Town under its Agreement with the City of Concord dated October 17, 1969 providing for the construction, operation and maintenance of a joint sewage treatment and disposal system to serve the Penacook area (said sum being the amount remaining after deducting from the estimated total project cost of \$739,000 for said intercepting sewers and related facilities an estimated Federal grant-in-aid of \$387,000);
 - (b) To borrow in the name of the Town by the issue of serial notes or bonds, in accordance with the provisions of the Municipal Finance Act (RSA 33) and amendments thereto and any other statute thereto enabling, a sum not exceeding \$352,000 for the purpose of defraying the cost of the foregoing, and to authorize the Selectmen to determine the time and place of payment and rate of interest on such notes or bonds, to apply for a State guarantee thereof, and to do whatever may be necessary for the issuance and sale thereof;
 - (c) To authorize the Selectmen to apply for, negotiate, contract for, and do all other things necessary to obtain such Federal, State or other grants-in-aid, contributions and assistance as may be available for the construction of the aforesaid intercepting sewers and related facilities, and to adopt any vote relating thereto;
 - (d) To authorize the Selectmen to negotiate and execute, for and in the name and behalf of the Town, agreements with local industries desiring to use said intercepting sewers and facilities for the disposal of industrial waste and waste waters, defining the terms and conditions under which the Town will accept such industrial waste and waste waters into said sewerage system, including, without limitation, the contribution to be made by each such industry toward the over-all project cost and the

methods of payment thereof, and the share of each such industry in the annual cost of operation and maintenance of said system; and

- (e) To authorize the Selectmen to do all things necessary or convenient to carry the foregoing into effect, including, without limitation, the employment of engineers, the execution in the name of the District of a contract or contracts for the construction of said intercepting sewers and related facilities and the purchase or condemnation of land, easements and rights of way in the name of the District.

3. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

10. To see if the Town will vote to raise and appropriate a sum not to exceed \$7,000 for the purchase of a new highway truck and plow.
11. To see if the Town will vote to discontinue the collection of rubbish and to keep the Town dump open Monday from 7:30 a. m. to 3:30 p. m., Wednesday, from twelve noon to 8:00 p. m. and Saturday from 7:30 a. m. to 3:30 p. m.
12. That the Moderator appoint a special unpaid advisory committee of three persons to be known as the Regional Refuse Disposal Planning Committee to work with the Central N. H. Regional Planning Commission to make recommendations to Town Meeting for upgrading the Town Dump to meet State standards and to comply with the standards set by the N. H. Air Pollution Control Commission, Regulation No. 2, which sets termination dates for open burning.
13. To see if the Town will accept the road off Upper Queen Street known as Robin and Dove Street. These streets do not include the street known as Sparrow Street. (Approved by the Planning Board).
14. To see if the Town will accept the street known as Terrace Hill Road, off Lower Water Street. This was approved by the Planning Board for acceptance subject to the elimination of the drainage problems by the developer.

15. To see if the Town will accept the road known as Forest Lane on Route 3, provided that a performance bond is submitted by the developer in the amount and form specified by the Planning Board to assure its completion according to specifications. (Approved by the Planning Board subject to above performance bond).
16. To see if the Town will vote to give the Selectmen authority to transfer any unexpended balance of money from one appropriation to another.
17. To transact any other business which may legally come before this meeting.

Given under our hands and seal, this 18th day of February, in the year of our Lord nineteen hundred and seventy-two.

BOSCAWEN PLANNING BOARD

Rapid population growth and the subsequent need of related services have pointed up the need for planned and orderly development of our community.

All of us have various degrees of reluctance to controls. However, haphazard development can only lead to increased costs which are in turn passed on to the taxpayers of Boscawen.

In this regard, it is the intention of the Planning Board to present to the voters of Boscawen a new and revised Zoning Ordinance.

Zoning prevents conflicts of land use, protects and stabilizes property values, prevents overcrowding and congestion, and promotes free circulation of traffic, in order to assure the highest and best use of land and to provide for an orderly development of the community.

Public hearings will be held and, if the Selectmen approve, a special Town Meeting will be called to act on the ordinance.

It is the duty of each taxpayer to become sufficiently informed on this matter so that they may vote intelligently at the town meeting.

Kevin J. McCarthy
Chairman

CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

The Commission is working on two projects of immediate interest to Boscawen:

1. Application for grant funds for the Penacook-Boscawen Sewage Treatment Plant: An additional grant of 10% of the Federal 50% share is expected to be made by reason of a regional plan.

2. Solid Waste Disposal: The State of New Hampshire has decreed that the open air burning of rubbish is to stop. For towns in our population category the stop date is July 1, 1974, a little over 2 years away. The Commission has succeeded in getting a grant to find out various ways for towns to meet this problem. An engineering firm is drawing up alternative plans which will help each member town decide on the solution best for it. Using somebody else's experience should be a real money saver.

By way of financial support, the Commission is requesting an assessment of 69 cents per person. For our population count of 3362, this is \$2,319. This compares with \$2,132.80 for last year based on 3,135 people at 68 cents per person.

BOSCAWEN PUBLIC LIBRARY

“Books must be read as deliberately
and reservedly as they are written.”

— Henry David Thoreau

The Boscawen Public Library had a very successful year. Regular meetings were held by the Library Trustees. The sum of one hundred dollars (\$100.00), which is for two years was received from the Thornton Fund for the purchase of children's books at the branch. Two hundred ninety-one new books were purchased last year. We have Bookmobile service from the New Hampshire State Library at both the main and branch libraries. The lavatories downstairs and the stairwell at the main library have been newly painted and is an improvement. Both the main and branch libraries were decorated for the Christmas season. We engaged Mrs. Claire Merchant as the new janitor for the main building. On Saturday, April 19, open house was held at the main library in observance of National Library Week. The event was sponsored jointly with the Boscawen Woman's Club, many outstanding arts and crafts exhibits were displayed by the local residents in town and surrounding area. About fifty people attended. The Trustees wish to express their thanks and appreciation to the Boscawen Woman's Club and everyone who assisted in any way to make this a success.

The main building is used for meetings of many groups interested in town affairs. It is also the office of the Selectmen.

The division of continuing education of the University of New Hampshire offered free courses to all librarians in the state under the public library technique program. The Librarian, Mrs. Constance Broughton, took the ten week course on book selection for adults and young adults at Lamson Library, Plymouth State College.

Last fall, during Book Week the librarian at the main library had a coffee hour for newcomers in town. Quite a few mothers with their children attended.

A bequest of money and artifacts was received from the estate of Isabel H. Grimes for the main library. The Trustees accept with thanks and deep appreciation this gift. Mrs. Grimes served on the board of Library Trustees for many years, also was secretary. She was a true and valued member. Her interest, loyalty and devotion to the library and community will ever be remembered.

Gifts of books were given to the library by Mrs. Alan Stevens, Mrs. Mark Young, and Michael Young, the Echo magazine from the Woodbury family and a history of Amesbury, Mass. from Willard Flanders. We gratefully acknowledge these gifts.

BOSCAWEN COMMUNITY PARK

Up to 100 children enjoyed the activities daily at the Community Park with Irene Plourde as director. This was financed entirely by the town.

A number of parents greatly assisted the director and committee by donating their services with transportation and help on the program. Four trips were enjoyed by a large group of children.

During the winter the skating rink again has been a big attraction with lights being added for night skating.

Improvements to the park this year were as follows: the Boscawen Boy Scouts rebuilt the bleachers for the baseball field. The parking lot was enlarged which also enlarged the skating rink.

Our thanks to all who have in any way assisted to make this project so successful.

POLICE DEPARTMENT

Citizens of Boscawen;

On August 1, 1971, the first full time police department for the Town of Boscawen began. Financial assistance from federal agencies was applied for and received to assist the town in the creation of this new full time agency. At present the Boscawen Police Department consists of a fully equipped police cruiser package, along with most of the equipment one needs to assist, in its everyday contact with the public, two full time men, a fully trained German Shepherd Police Dog, (trained specifically for police work and donated at the cost of \$1.00), a rented office, located over MacArthur's Paint Store on King St., a telephone number that can be called twenty four hours a day, seven days a week, and someone will answer, (the number is 796-2277), a radio network that connects us with the New Hampshire State Police, The Merrimack County Sheriff's Department, and other local police departments throughout the state. The manpower to answer the Boscawen Police telephone and to dispatch the Boscawen cruiser, has been graciously donated by the Merrimack County Jail. Sheriff Daniels has given this department his complete cooperation and has allowed us to use the Merrimack County Sheriff's Department radio frequency for dispatch purposes, thus completing a workable radio communication network, that one needs, to operate a police department. There have been mutual aid agreements established with the City of Franklin, the Town of Canterbury, the Town of Webster, and the Town of Salisbury. This consists of mutual police assistance as requested by each other. At present we are working on establishing this type of agreement with other towns. We would like to mention at this time that the cooperation received with these departments has been overwhelming and we appreciate this type of cooperation.

From August 1, 1971 to December 31, 1971, this department logged more than 990 activities. These activities ranged from burglaries to motor vehicle violations. During this time there have been thirty burglaries solved, along with a number of larceny by check cases, larcenies, malicious damage cases and many more different type cases which are too numerous to mention at this time. There have been 48 criminal type arrests, of which 18 were juveniles along with 16 summons issued. During our investigations the citizens of Boscawen in most cases were courteous and helpful to this department and we would like to thank them. Without this type of cooperation many of the cases worked on could not have been solved. During the month of December 1971 the New Hampshire Chiefs of Police came to Boscawen and conducted a survey of the town's needs. Their recommendations were made as to the basic needs for the Town of Boscawen. I realize that the Town of Boscawen can not afford these needs all at the same time. I have therefore put together a police budget that I feel are the essential basic needs, that the Town of Boscawen can afford at this time. I hope that the citizens of Boscawen will realize these basic needs and approve the proposed budget.

Respectfully yours, Edward J. Silva
Chief

WARRANT FOR ANNUAL MEETING OF PENACOOK-BOSCAWEN WATER PRECINCT

To the inhabitants of Penacook-Boscawen Water Precinct in the County of Merrimack and State of New Hampshire, qualified to vote in Precinct affairs.

You are hereby notified to meet at the Boscawen Town Hall in Boscawen in said Precinct on the 24th day of March, 1972 at 7:30 o'clock in the evening, to act upon the following subjects:

1. To Thear the reports of the Precinct officers and pass any vote relating thereto,
2. To choose all necessary Precinct officers for the ensuing year,
3. To authorize the Precinct Commissioners to borrow money in anticipation of Precinct taxes and other revenues for the year and to issue notes therefor at such time within one year and at such place as the Precinct Commissioners shall determine,
4. To see if the Precinct will vote to raise and appropriate the amounts listed in the budget for 1972,
5. To see if the Precinct will vote to give the Commissioners authority to transfer any unexpended balance of money from one appropriation to another,
6. To see if the Precinct will vote to raise and appropriate a sum not exceeding three hundred (\$300.00) for the acquisition of land and rights in land bordering Walker Pond,
7. To see if the Precinct will vote to authorize the Commissioners to deed a parcel of land located in Webster, between Pleasant Street and the power line in exchange for a deed to a parcel of land owned by Mr. Robert P. Robillard, consisting of approximately five hundred fifty (550) feet of frontage on Walker Pond and extending West to the power line. This would be an even swap. No money involved,

8. To transact any other business which may legally come before the meeting.

Given under our hands and seal this eighth day of February 1972.

COMMISSIONERS' REPORT

In 1971 we completed the largest work load with our crew that we ever attempted.

Approximately one mile of 8" pipe was laid to the County Home. This line was completed and water turned on July 15th at a cost of approximately \$27,000. paid for by County.

Knowlton Road from Water Street to Cornhill Road was completed with a right of way given by Mr. & Mrs. Robert Knowlton to allow us to take advantage of a lower elevation at the corner of Knowlton Road and Cornhill Road.

We purchased 450 feet of land on Webster Shore of pond this year.

We have added twenty new services this year and pumped 219,947,300 gallons of water.

Our plans for this year call for a continuation of 8" pipe across Marlboro Road toward Queen Street and Route 3, and a new 6" line and hydrant on Pine Street.

AUDITOR'S REPORT

Board of Commissioners
 Penacook and Boscawen Water Precinct
 Boscawen, New Hampshire

Gentlemen:

We have examined the Balance Sheet of the Penacook and Boscawen Water Precinct as at December 31, 1971 and the related Statements of Income, Working Capital and Precinct Tax Collector for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion the accompanying Balance Sheet and related Statements of Income, Working Capital and Precinct Tax Collector present fairly the position of the Penacook and Boscawen Water Precinct as at December 31, 1971 and its operations for the year then ended in conformity with generally accepted accounting principles applied on a consistent basis.

Respectfully submitted,
 John E. Rich & Company
 Accountants and Auditors
